ABC Nutritionals is a private label manufacturer of sports nutrition, weight management and lifestyle nutrition products.

Our full service from research and development to manufacturing allows you to create your own brand. This means that all products can be tailored to suit your market place and conform to all the necessary legislation within your country.

How we work:

Weight Management

ABC Nutritionals offers a variety of weight management products designed to your specifications. All formulas are based on the latest scientific research in order to help consumers achieve their desired weight goals. These products are customised to meet particular brand owner's requirements.

Customised Blends

At ABC Nutritionals we offer customised blends tailored to your suit your personal needs. We pride ourselves in giving cost-effective solutions while using only the highest-quality raw ingredients.

Standard Products in our range include:

- Meal Replacement Products
 - Very Low Calorie Diets (VLCDs)
 - Low Calorie Diets (LCDs)
 - Maintenance Diets
- Inulin Fibre
- Diet Proteins
- Fat Burners
- CLA capsules

ABC | NUTRITIONALS

Sports Nutrition

At ABC Nutritionals we specialize in the manufacture of science based Sports Nutrition products under private label. We have a combined experience of nutrition and sports nutrition of 35 years, manufacturing American and European brands.

Customised Blends

Our policy is to ensure our customers receive only the best science based sports nutrition products. All customised blends are designed to each customer's requirements. At ABC Nutritionals we are aware that tastes and flavours vary from country to country. To ensure great tastes and results we work with many different flavour companies and use the highest grade raw materials in our blends.

Some of the many products we manufacture under private label include:

- Whey Proteins
- Mass Gain Proteins
(*Premium & Budget*)
- All in One products
- Creatine Monohydrate
- Glutamine and Arginine
- Pre - training energy products
- Recovery products to aid recovery after intense exercise/games
- Meal Replacement products
- Range of capsules

Lifestyle Nutrition

With a steady increase in health-conscious consumers, ABC Nutritionals continually sources new high-quality ingredients that add product value and promote healthy lifestyles as we get older.

We have developed customised formulas under private label in the following categories:

- Age Related Muscle Maintenance
- Cardiovascular Health
- Joint Support
- Meal Replacement
- Digestion
